Customer Reviews

I found this book helpful and fully loaded with tons of low carbohydrate recipes. Actually, I purchased this book for learning some amazing recipes whose are associated with Low carbohydrate diet. This book is perfect and very helpful. The author of this book has described these delicious recipes very clearly and step by step. I always like to read a cookbook in my free time and I had read various recipe books before. This book was really amazing and one of my best

reads. I already tried some of these recipes last week and they are really easy to cook. This book is perfect for the beginners and I will definitely suggest this book to all.

I have tried a few recipes in this book and I feel better and lose weight if we trim back the carbs. I've tried several of the recipes already. And they are just as good as promised. I will recommend this book because it has a lot of easy every day food.

In general, our mind is controlling over what our body does. So like when you're overthinking, it leads to stress and your physical body can't handle that it leads to more problem. We just have to think positive and be healthy and everything follows. What I like in this book is it teaches us something about psychological well-being. Just like what was taught in Psychology class back in college. If you're looking for a different meaning of how to think positively then this book would really help

Perfect book! This book contains delicious low carb diet recipes. It is easy to follow all the recipes. The foods are low of carbs and healthy. This book is one of the perfect guides. Now I will start to eat food that is low of carbs to lose my weight and have a healthy body. This book is a big help for me! Big thanks for this book!

Low carb diet recipes to help us lose weight. A great book and I have learn many recipes from this book. I am not a good cook but I enjoy cooking specially healthy food.
