Customer Reviews

After reading this book, first day my pup actually went to the back door to go outside. Book was short, concise and to the point and should be quickly read before you pick up your puppy. I highly recommend you read this book if you have a puppy and you are trying to housebreak him/her. This is a well researched book!

This book is helpful! We are getting a puppy in a few weeks and I got this book as a guide to help potty train him. There are many tips listed inside on how to potty train your puppy in seven days. Everything is very organized and straight to the point. I am so happy we got this book to help us! I can't wait to get him here and start training him right away.

It is a perfect guide for those who want to train their puppies personally. Well, we do know that there are good and bad habits with our cute pets. We should know this and start a plan on how to eliminate those bad ones. Also, we will learn the do's and don'ts while training them. The instructions in this book were well explained. The training they will be much more fun and exciting. Find out more tips and techniques this book has.

I just have bought a puppy, it is my first puppy ever. He is very adorable but can be a bit of too curious and naughty at times! I bought this book because a lot of people told me that it was a good book to start with if you have a puppy, so I did. The book was able to help me train my puppy and what I particularly liked about the book is that shows you how your puppy tries to communicate with you. A very awesome book!

This is an engaging book that is easy to follow. The Puppy Training book is here and backed with positive reinforcement and tricks that you can use to teach your dog what you want all the time. Puppy Training Guide takes you through all the stages of puppy hood - how to introduce your new furry family member to your home, how to potty train, the right equipment, develop good manners

and how to behave in all sorts of social settings. This book has taught me a lot especially when it comes to training my puppy to be it obedience, crate, or potty kind of training. I find this book very helpful especially for dog lovers out there. This book, in fact, will make puppy preparing a simple and achievable errand.

Training a puppy can be a difficult task, especially if you go about it the wrong way. There are many mistakes you can make throughout the process and a host of common misconceptions which can see your puppy move into adulthood still baring poor habits and unruly behaviour. Fortunately, this book does a fantastic job of laying out the entire process of training your puppy very well, with everything explained in a step-by-step and day-by-day manner making its teachings easy to follow and take action on. Training your puppy in 7 days may sound unrealistic to some, especially if you've found difficulty doing so before, but understand that there are specific techniques and procedures provided in this book which, if follow correctly will see you do just that. 5 Stars!

This book contains essential and proven tips on how to house training your dog in just seven days. In this book the information is organized in a logical way that's easy to access, read and understand. I'm really impressed with the amount of tips that this guide book has. I think this book will really be helpful for us.

This puppy training guidebook is amazing and very helpful. By the help of this book I have learned lots of effective techniques and lessons for making our puppy more obedient. Inside of this book the author has described about some amazing and helpful house training instructions. Actually, I badly need to learn this training technique and for that reason I purchased this book three weeks ago. My old friend suggested me about this book and told me about the quality of this book. This book guided me about how to setup my puppy's routine. By reading this book I have understood about poop signs. The author of this book has described each lesson and part very clearly. This book really helped me a lot and I will definitely recommend this book to any puppy owner.
