Customer Reviews

This is the shortest way to learn about cleaning your home and putting things in order. This is a very short read that provides vital information about why your home is cluttered and the best and stress-free way to clean and organize your properly. The book also contains a list of beautification tips that will make your home look beautiful and be as attractive as ever. Cleanliness they say is next to Godliness and this is one sure guide that will help you stay clean and organized.

This book give easy and tricky steps on how to clean, declutter, and organize your home and implement these techniques immediately. A cluttered home leads to more and more clutter until youâ™re left wondering how to get out of the mess. Organizing can help your life get back on track in ways you never expected it to before. Organized home relieves stress and makes for a happier you and a happier family. Great resource!

I am pretty lazy when it comes to household chores, so I am actually searching for ways to make things effortless and faster. And honestly! I found those methods from this book. There are fairly few ideas, some are pretty familiar and some I have not heard before. Iâ™ve tried the unfamiliar hacks, they work exceptionally and I guess I will be using those hacks forever. I recommend it to all of you. It's a great deal.

A great book about keeping your home clean and organized. A good collection of general tips and tricks for cleaning, de-cluttering, and organization. I am glad I read this book, as it gave me motivation to let go of things I am no longer using, that are taking up room I could use for other stuff. The book additionally contains a rundown of beautification tips that will make your home look delightful and be as alluring as ever. This book made this whole organizing thing easy on us by using just one of these tips a week. It's really worth purchasing and recommend it.

Good reference book for taking care of your own household. Excellent, all-purpose for how to care for your home. Sometimes if you just take away one or two new ideas, it is worth looking at a book like this. A neat little book on home organization - keeping things clean and organization. Nicely laid out. Easy to find topics. Great tips.

This is the best guide for you for the cleaning of your home. This book is even short but the instructions and the tips are worth reading. The author has done a wonderful job by compelling a simple guide to clutter your home in a simple and easy way. I definitely liked this book for my home cleaning and want to recommend it as well.

Very generic advice that everyone already knows (dust with a clean cloth). This could not have ever been proofed or was written by a non-English speaker who doesn't write well (and didn't proof). Even at no cost - a waste of my time.

This is the most limited approach to find out about cleaning your home and placing things in order. This is a short perused that gives essential data regarding why your house is bunched and the best and stretch free approach to clean and compose your properly. The book additionally contains a rundown of beautification tips that will make your home look delightful and be as alluring as ever. Cleanliness they say is alongside Godliness and this is one certain aide that will help you stay perfect and sorted out.
