Breads & Rolls: 30 Magnificent Thermomix Recipes

Synopsis

In this cookbook you will find the 30 best recipes for the most delicious breads & rolls! The Thermomix recipes are easy to prepare and therefore suitable for everyone. The first class selection ranges from plain baguette and ciabatta flatbread to classics such as toast or whole grain bread. Have fun baking and bon appetite! (The bread recipes and roll recipes are designed for the Thermomix Machine TM31, but can be imitated with a little creativity, even without the Thermomix.) Note: The recipes are originally from Germany. Since the German kitchen uses different flour types, some of the flour listed in the recipes probably has to be replaced with American flour. A conversion table is provided at the beginning of this cookbook.
