How Jellybean Got Back Home: (a Cute Dog Story Of Hope, For Dog Lovers Everywhere)

Synopsis

Before coming to live with mom the only home that Jellybean had ever known was a noisy, crowded, and dangerous existence with other dogs at a shelter. Her world changes completely when she's adopted. One morning when she wakes up and mom isn't there Jellybean decides she must go and find her mom. Told from the point of view of Jellybean this is a heartwarming dog story the revels in the special bond that humans and dogs can share, and above all is a story of love. I hope you enjoy it.

Customer Reviews

I inherited a little Bichon shortly after my elderly Aussie Shepherd died. Sammy is the light of my life and he sleeps on my bed with me. He usually sleeps on my tummy when I fall sleep on recliner. He got away once, right after I got him. I think he was looking for his mom who had died. Luckily my nurse, was, on her way to my house, and, she saw him tied, to see tree in a front yard about 1/2 mile from home. I was so happy when she brought him home. He has never done that again.

This is told from the dog's perspective. I recommend this for anyone who loves happy dog stories.

Suitable for younger readers.

Very nice story. Great one for youngsters. If only everyone would micro chip their pets. It's a great thing to do.

Just a down to earth book about Jellybean. I bought this cute story so I could read it to my grandson Logan. He laughed and enjoyed the book. WAIT!! so did I. Enjoy everyone. Lee ^,^

This is a good short story about a dog who got lost and finally was found by her owner. Luckily, she had a microchip so her owner could be found. I like this story, especially because it's told by a dog.

so sweet. the description of him snuggling into moms neck, I could almost feel his softness and smell his sweet doggy smell. Short enough for a bedtime story or for a child to read it. Jellybean tells us the reason for when he barks which is very helpful to us humans to learn,thanks Jellybean.

This is such a heartwarming story. I LOVE animals but dogs are my favorite and I loved this story. It's soon adoribal. It was sad at first but then he got a home and a nice elderly women as a mom. It was the most amazing book. ^ ^ ^ ^ ^ „ „ „ † † † f ^ ^ ^ ^ ^ ^ ^ ^ ^ ^ ^ ^

I found this to be a very heart touching love story! I really liked it. I recommend this for about any age level as its a very clean reads and heart warming story that any dog or animal lover I would think would greatly enjoy. For these reasons I feel it needs a five star rating. I paid a small price for it and was glad I did and here is my honest review anyway. Great job Kaleigh! By Angela P.s.
