Engineering Drawing And Design 6TH EDITION

Synopsis

Good Condition.

Book Information

Hardcover

Publisher: Glencoe/Mcgraw-Hill; 6 Tch edition (July 1, 2000)

ASIN: B004HP1AGM

Average Customer Review: 4.5 out of 5 starsÂ Â See all reviewsÂ (2 customer reviews)

Best Sellers Rank: #1,760,657 in Books (See Top 100 in Books) #203 inÂ Books > Engineering & Transportation > Engineering > Design

Customer Reviews

This book was recommended by a CAD instructor. My son is incarcerated at present time, and finds the book very helpful, although it is written FOR instructors and he has no computer access at this time. He does have drawing and blueprint background. The book has references to other books for students, which I will order for him, and hopefully this vendor will have them. He received the book in short order and it is in excellent condition.

thanks
