Beach Ride (Show Jumping Dreams ~ Book 9)

Synopsis

It's the middle of summer vacation and Mickey insists that they all do something that doesn't involve horses, like go to the beach. She's been invited to the biggest party of the summer and she's taking Emily with her, whether she likes it or not. But Emily is still reeling from finding her stepsister draped on the arm of a Grand Prix rider at the last show like it was completely normal. It's not. Cat doesn't like riding or horses or any of that stuff. That is Emily's private world and the stepsister she doesn't even like is sticking her big nose in right where it doesn't belong. So when Emily finds out that there is a beach race at the party, she knows it is the perfect opportunity to put Cat off horses once and for all. But to get the stepsister she hates out of her riding life for good, she's going to have to step over the line between right and wrong and if Cat gets hurt, will she ever be able to live with herself?

Amazing New Book! I have been looking forward to this book and i got exactly what i had expected, a exciting new story! This book shows how emilys life is ever so slowly changing and she is liking other things beside horse ridding.

This might be one of the most thrilling books I've ever read. It was hard to set it down. There was nothing about this book that I didn't like. They even give a possible love interest for Emily. But the ending is so shocking that it left me speechless.

This time the storyline takes us to a beach house with horse stables. The stables have beachfront access. Who would've thought it. This time the main character must be true to herself and instead of hating her step sister, she must save her life with the help of her pony. The saga continues as do I by reading the next book. Onwards!

Fun read!! I grew up as Emily did, with less money. Worked for several trainers with serious drug and alcohol problems, but finally made it to the Grand Prix ring. Competing against my idols, Hap Hansen, Will Simpson and so many others. That was my dream come true! Thank you Claire! Maybe one day I'll try to contact you and ask you to write my story.

The antics of Emily and her "friends" kept me on the edge of my seat. Once again I enjoy reading this series of books and recommend it to any one that loves horses or just enjoys a good book!

Why did it have to end :(CANT WAIT FOR THE NEXT ONE!!!!!! These series are so good!! 5 stars

I want book 11 !!!!:D
