Customer Reviews

XXXXX"By reading this book that lays out my fourteen years of experience treating bed bugs you can get the best of my help--exact information on how to check for bed bugs, reduce clutter, decontaminate your belongings and pack...I also guarantee that following my prevention methods will cut the likelihood of your getting bed bugs by at least 75 percent. And if you do get them, my advice will save you at least \$1500, not to mention months in false starts and unqualified exterminators as you try to get rid of the bugs. Once you get rid of them, this book will help keep you rid of them."The above comes from this practical and sometimes humorous book by Jeff Eisenberg. He is the founder of a NYC-based pest company, and is one of the leading bed bug experts and exterminators in the country. So, you think you can't get bed bugs? Thing again! We're in the middle of a bed bug epidemic and you have to know how to protect yourself and your family from being a meal for these vampire-like pests. (And if you think going to the Internet for information to solve your bed bug problems is the solution, you'll be disappointed. I found that the bed bug information on the Internet to be confusing.) Question: what is the best way to avoid bed bugs? Answer: avoid getting them in the first place. In other words, prevention. This book gives important prevention advice for the home, your place of employment, the automobile, on trains, on planes, when travelling, and other "unexpected bed bug hangouts." What if you're not sure if you actually have bed bugs? This book will help you with detection techniques, simple steps to determine if you have a bed bug problem. And what if you do get them? Treatment options are discussed.
