I LOVE THIS BOOK! The hat designs are fun and imaginative, the illustrations are colorful, vivid, and helpful, and, as a "newbie" crochet-ist, I am finding the instructions clear and unambiguous. I

have to admit I haven't finished any yet, but I have started on Turtle because it looks to be one of the simpler ones, and I am looking forward to having him keep my head warm this winter!

I am officially going around asking my clever friends to start crocheting these crazy, wonderful hats. I may even summons the courage to try to make one myself, the instructions seem that clear. And somehow I can visualize these hats on the heads of people in my life! MORE! MORE!

Fabulous book! A must have ! Got the book and I already want my wife to make me the shark hat. With the easy to follow directions she will have no problem.
